PROFESSIONAL EXPERIENCE

AIESEC in Nepal Feb 2026 - Jul 2026

Full Stack Developer, National Support Team (Part-time)

- Built responsive interfaces and contributed frontend implementations and product features to the AIESEC Nepal website.
- Collaborated with the NST team to develop and iterate on the platform.

PROJECTS

RepoLens GitHub | Live

Next.js, TypeScript, React Flow, ts-morph

- Built a codebase explorer that maps JavaScript/TypeScript repositories, visualizes file dependencies and traces the impact of code changes

Kairo GitHub | Live

React, TypeScript

- Built a responsive Pomodoro app to organize focused work sessions and track progress

GTA VI Landing Page GitHub | Live

Next.js, TypeScript, GSAP

- Built an interactive, responsive GTA VI landing page with scroll-driven animations

Personal Portfolio Live

Next.js, Tailwind CSS

- Built a responsive portfolio for projects and experience, with light/dark themes

LEADERSHIP & VOLUNTEERING

CSITAN Rupandehi May 2026 - Present

Vice President

- Lead an 18-member team coordinating student events, partnerships and community programs.

AIESEC in Lumbini Feb 2026 - Present
